

Are You Giving Your Stock Blackman's Medicated Salt Brick?

BETTER AND CHEAPER THAN STOCK POWDER

It costs no more per package than stock powders, yet weighs one pound more than the most popular 25c package of stock powders we have examined; besides, our MEDICATED BRICK contains no rice bran, cotton seed hulls or other non-nutritious material. In fact it contains absolutely nothing but dairy salt, in which is mixed sulphur for the blood, coperas for worms and bowels, saltpetre for the kidneys, and nux vomica, which is one of the best known tonics. We know that Blackman's Medicated Salt is giving satisfaction on account of the large amount we are selling. If you are not now giving this valuable remedy to your stock, call and let us tell you more about it. :: :: :: :: :: :: :: ::

Beachville Briefs.

Mr. Editor: As it is raining so that I can not get out to work, I will write a few words from Beachville.

Beachville is on a boom.

We have been having plenty of rain for the past three or four weeks, the rivers and wells rising rapidly in consequence.

H. W. Odom and family, of Live Oak, have been visiting relatives and friends for the past week.

Mrs. Laura Rickerson and children, of Live Oak, are visiting her brother and sister, J. A. Cason and Mrs. Belle Swails.

Misses Ruby and Bessie Carpenter, of Keyville, are visiting their aunt, Mrs. Lizzie Sweat. These young ladies have many friends who are always glad to see them.

Mrs. Nona Hunt, of Branford, is spending the week with her parents, Mr. and Mrs. George Cason.

The debating society of Beachville is progressing nicely and all the young people are quite interested. They meet next Saturday afternoon at 4 o'clock. The subject is, "Resolved, That Capital Punishment Is Just." Everybody is invited and we will promise that they will hear something of interest. Come and see.

Mrs. J. T. Crawford and Mrs. Sanford Beach spent last Monday with Mrs. Dea Lacquey.

It is fodder pulling time with most of the farmers, but it is so rainy they are having a hard time trying to save any.

Mrs. Wealthy Odom has been quite sick for several days, but we trust she will be able to be around again.

The protracted meeting began at Beachville last Saturday night. Elder James Lee, of Live Oak, is here helping in the meeting. There were good crowds in attendance, although the weather was bad. We trust that great good is being done.

Mr. and Mrs. Rufus Lacquey are the proud parents of a fine ten-pound boy, who arrived here July 3. Rufus is doing some queer things, according to what his neighbors say.

Sealy Sweat went to Georgia last week, and when he returned he brought his bride with him. They were married at Dalton, Ga. Mrs. Sweat was Miss Bertha Cox and is a beautiful lady of many accomplishments and we congratulate Mr. Sweat on winning so fair a bride. Mr. Sweat is a prosperous young farmer and a fine man. We wish for them a long and happy life. They will make Beachville their future home, and we are proud to have them for our neighbors. SHAUNEE.

T. W. Sweat left last week to take charge of his school at Hawkins. Tommie is a good young man and we wish him success in this, his first school.

Mrs. Joe Rickerson and Mrs. Jess Austin, of Live Oak, are visiting the family of J. A. Cason.

Silas Hatch lost his mule last week. Some of our boys are going to Wilmarth quite often. Wonder what the attraction is down there?

W. M. Timmerman, contractor, will

soon have L. C. Sweat's fine dwelling house completed. It is the best and finest house in this part of the county. He has just finished painting it. L.

From the Seventh District.

Mr. Editor: Will you please allow me space in your valuable paper to say a few words for this district?

We are having some rainy weather and it seems like it will be continued, but crops are doing very well, only the grass is hopping, but the people, I think, will conquer it.

Augustus Hurst and sister, Miss Clifford, spent Sunday with relatives, Mr. and Mrs. G. W. Sapp.

F. S. Hurst spent Saturday night with T. Z. Hurst and family. Prof. A. P. Hurst returned home with F. S. Hurst Sunday morning.

B. M. Holland, Richard Grantham, Ottis Hurst and R. D. Bass went fishing at Peacock Lake last Wednesday, and caught enough to feed the kittens one meal.

Cleave Mock, from the East Coast, has been visiting relatives in Suwannee county for the past few weeks. He left here last week for his home in Deerfield.

The Macedonia school is progressing nicely at present, with A. P. Hurst as teacher; also the Padlock school is not behind in anything.

There will be services at Macedonia church by Rev. J. S. Parker Saturday night before the third Sunday and on Sunday. Hope to see a large congregation out.

The people of this settlement gathered at the school house on the 4th and had an ice cream "churning," and, boys, it was fine.

Wonder what two young ladies started to church last Sunday and were disappointed. THE MORNING STAR.

Falmouth Notes.

The Ladies' Aid Society will meet the 4th Saturday in July, and it is quite important that all members attend and assist in conducting the business.

Mrs. J. W. Hall and daughter, were in Live Oak one day last week, shopping.

I am very sorry to say that our preacher failed to fill his appointment here last Sunday. There was a goodly number out to hear him.

Sherman Cannon and his sister, Miss Fannie went to Shady Grove to attend the big meeting Sunday.

Mr. L. Clayton spent Saturday on the Old Suwannee river at the picnic.

Miss Ollie Baker was the guest of Mrs. W. C. Wright Sunday.

We are sorry to hear of the death of Mrs. Tison. She was a good woman, loved by all, and leaves many relatives and friends to mourn her loss.

Joe Warner, and Mr. Clayton, Walter Holland and G. W. Powers were visitors at our school this week.

Mrs. E. W. Bland and her daughter, Miss Bertie, returned to their home at Perry Thursday morning after a very pleasant visit at Falmouth and Columbus with relatives and friends. While here Mrs. Bland had a nice monument erected over the grave of her beloved son, Luther, whose remains are at rest in the cemetery here. Mrs. Bland says she would like living at Perry very well but for the ponds and creeks about the

city. Fish are fine and can be had all the time, but no wonder. There is plenty of water.

Mr. and Mrs. Jessie Cannon were the guests of Mr. and Mrs. Walter Bland on Sunday.

Mr. and Mrs. Cape Warner visited Mrs. Edner Hardee Sunday.

Little Myrtle, the four-year-old daughter of Mr. and Mrs. Jesse Cannon was very sick last week, but is much better now, and we hope she will soon recover. "Y."

Shady Grove Items.

The protracted meeting at Shady Grove closed Monday night after a very successful meeting at the new Congregational Methodist church. The pastor, Rev. P. D. Clardy was assisted by Rev. C. C. Crews, president of the Lake City district and Rev. Summer, of Pinemount. There were a number of additions to the church and a great lot of good done, and the spiritual welfare of the church very much helped. Saturday there was a grand, big dinner spread in the church yard. The rains interfered to some extent with the pleasures of the day, but there was a good crowd present, and we had a good and profitable day.

The heavy rains have damaged some crops in this section. Water is standing in many fields on the low lands. Dan White has lost about 100 bushels of corn and Reese Stephens has three acres of fine cotton badly damaged.

Phil Boyd has the finest field of cotton in this section of the county.

Rumor has it that one of our most popular young men stole a march on the Hamilton county boys and captured one of that county's most excellent young ladies. "X."

Platt Station Notes.

Mr. Editor: We had the pleasure of listening to a very interesting sermon last Sunday, delivered by Bro. Clements at the church, the text being "What manner of love the Father has bestowed upon us."

Wonder what young man looked so sad from Clayland when he saw another young man with his best girl? Brace up, son. STRANGER.

The two big sales will run till Wednesday, July 21st, on account of bad weather. Lots of remnants to close out at half price. Harvard's Shoe Store and Ladies Emporium.

Notice.

Bro. J. R. Clements will commence a series of meetings on Thursday before the second Sunday in August, at Orange church, near Platt Station. There will be dinner on the ground on Saturday. We invite our sister churches to come and be with us, and also our friends from Live Oak. Respectfully, J. F. L.
